

Aquila Way is an award-winning Christian charity based in Gateshead providing housing, support and other specialised services to the homeless, vulnerable and disadvantaged young men, women and children, ex-prisoners and those at risk of offending.

..... from emergency to independence

Over the last 25 years Aquila Way has grown from a vision given to young students to now serving over 80 vulnerable and homeless young people at any one time through a variety of services & innovative projects. We look back with wonder at what the Lord has done through our work but also look forward with excitement at the new opportunities and challenges ahead – can you help us in this dynamic adventure?

TRUSTEES

Aquila Way provides an award winning approach to serving vulnerable individuals and communities in the northeast of England. Our trustees are responsible for developing strategy, providing leadership and direction and in assisting the charity in achieving its mission.

We are now looking for a number of trustees to broaden our skills base in the following areas:

- Regional or national networking & influencing experience in political, policy and Christian fields.
- Strategic experience in social care and/or housing
- Professional legal expertise

In addition experience in governance and/or general management expertise gained in a large commercial/public sector or charitable organisation would be desirable. We would welcome enquiries from individuals able to act as an ambassador for Aquila Way and draw potential donors to our fundraising work.

As a Christian faith based charity it is essential that as a Board member you are a committed Christian and share our core ethos and values which are outlined on our website. For further information contact Alison Edwards (PA to Chief Executive) at aedwards@aquilaway.org or on 01914915700.
